XIII. Understanding and Reaching the LGBT Community

General

Mark Yarhouse, *Homosexuality and the Christian: A Guide for Parents, Pastors, and Friends* (Bethany House Publishers, 2010), 240pp.—If you only get one book on this list, this is the one to get. A Christian clinical psychologist addresses questions with honesty and attention to detail to help pastors, parents, and congregations understand homosexuality.

Wesley Hill, *Spiritual Friendship: Finding Love in the Church as a Celibate Gay Christian* (Brazos Press, 2015), 160pp.—Much practical wisdom comes from Wesley Hill, a celibate gay Christian, who writes about the need to form lasting relationships as a solution to include and provide support to LGBT individuals who seek to live the Christian life and ethic.

Travis Collins, *What Does It Mean to Be Welcoming? Navigating LGBT Questions in Your Church* (IVP Books, 2018), 144pp.—A shorter book addressing similar questions as those above with an eye to a congregation-level context of responsiveness.

Preston Sprinkle, *People to Be Loved: Why Homosexuality Is Not Just an Issue* (Zondervan, 2015), 224pp.—Preston Sprinkle deftly elevates our conversations about homosexuality above an issue to be discussed or debated so that we consider the real lives that are at stake in how we address this important topic and life circumstance.

Nate Collins, *All but Invisible: Exploring Identity Questions at the Intersection of Faith, Gender, and Sexuality* (Zondervan, 2017), 320pp.—Have you ever wondered “Why do they need to add ‘gay’ to their identity? We’re all Christians”? This book is for you. Addressing how identity is formed and why the identifiers we use matter, Collins explores how identity concerns intersect and fit into the broader Christian vision of humanity, not directly suggesting an answer to that question, but helping us understand what goes into those considerations and identities.

Mark Yarhouse, *Understanding Gender Dysphoria: Navigating Transgender Issues in a Changing Culture* (IVP Academic, 2015), 191pp.—One of the top Christian researchers on the topic, Yarhouse addresses key questions about this emerging issue in the Church.

Testimonies

Wesley Hill, *Washed and Waiting: Reflections on Christian Faithfulness and Homosexuality*, Revised and Expanded Edition (Zondervan, 2016), 224pp.—Wesley Hill’s autobiographical testimony on his struggle with his attractions and how he lives the full Christian life with them.

Rosaria Butterfield, *Secret Thoughts of an Unlikely Convert*, Expanded Edition (Crown and Covenant Publications, 2014), 208pp.—The story of a secular woman who is lesbian who was converted to Christianity, with some interesting implications for how the Church engages its community.

Gregory Coles, *Single, Gay, Christian: A Personal Journey of Faith and Sexual Identity* (IVP Books, 2017), 144pp.—Coles tells his story and, in the process, shows a path forward to work with those who identify as gay and also are trying to live the Christian life, as well as how to work with those who are outside the Church.

Family, Youth, Children

Preston Sprinkle, *Living in a Gray World: A Christian Teen's Guide to Understanding Homosexuality* (Zondervan, 2015), 160pp.—An accessible guide to help teenagers understand what homosexuality is and to show an accessible view of how to live in a world that is not black and white.

Mark Yarhouse, *Understanding Sexual Identity: A Resource for Youth Ministry* (Zondervan, 2013), 208pp.—Yarhouse's practical guide and condensation of his major book on homosexuality, this is useful for parents and youth-related staff that addresses key questions and common concerns with attention to practical ministry.

Joe Dallas, *When Homosexuality Hits Home: What to Do When a Loved One Says, "I'm Gay"* (Harvest House Publishers, 2015), 224pp.—A good guide to how to respond with love when someone you know comes out. Helpful, practical, and therefore imminently useful.
