Graduated from Bamberg-Ehrhardt High School

Joined the USAF and retired in 2003

Received Bachelors in Computer Science and a Masters in Information Systems

Ordained as RE at New City Fellowship

TESTIMONY

Eugene “Doc” Murdoc

I was raised in the church but did not have a real understanding of Christ. I decided to do things according to my fleshly desires until I received Christ in 1989 while attending a gospel concert at the Chapel in Hawaii. The choir was singing “Salvation is Yours” and the Chaplain asked if anyone would like to receive Christ. I was sitting in the back and suddenly I was blinded by a light and started sobbing with tears. I raised my hand and an usher help guide me to the front with the Chaplain and I received Christ. After this, I started attending the Protestant Gospel Service at the Chapel and begin my understanding of the Bible by attending bible study.

My ministry experience started in Hawaii where I served as President of the Protestant Men organization and started teaching bible study. Upon leaving Hawaii, I was transferred to Virginia where I participated in the Protestant Gospel Service at Quantico by singing with the worship team and delivering my first sermon. Upon leaving Quantico, I started attending New City Fellowship, PCA, in Fredericksburg. I serve as a Ruling Elder, Sunday School teacher, Care Group leader and teacher, and participate in the worship group as a singer and leader.
